

We Take Keeping Your Information

Safe Very Seriously

How we keep your information safe

- 1.** *We will never sell your data to another external 3rd party and we will restrict access to your data to ensure that we keep it safe.*
- 2.** *We will only keep the information you have provided to keep in touch with you about all the news and work going on in the life of the church and for pastoral purposes.*
- 3.** *We will always be clear about how we want to use your data as part of achieving our vision for the church family and if this usage changes we will seek your permission first.*
- 4.** *You have control over your data and your preferences. You can contact the Administrator of the church at any time in writing to request we delete your information or request us to change it.*
